EXPLANATORY NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

Resolution 1 – Approval of the annual report and accounts

The Directors are required by the Companies Act 2006 (the “Act”) to lay before the Company at this Annual General Meeting the accounts of the Company for the financial year ended 31 March 2017, the report of the Directors, the Directors’ Remuneration Report and the report of the Company’s auditor on those accounts.

Resolution 2 – Directors’ Remuneration Report

Resolution 2 is the ordinary resolution to approve the Directors’ Remuneration Report. Section 439 of the Act requires that a remuneration report is put to a vote of shareholders at the Annual General Meeting. The vote of this Resolution is advisory and no Director’s remuneration is conditional upon the passing of this Resolution.

Resolution 3 – Directors’ Remuneration Policy

Resolution 3 deals with the Directors’ Remuneration Policy which is set out on pages 14 to 16 of the Directors’ Remuneration Report. The Policy sets out the Company’s forward looking policy on Directors’ remuneration and is subject to a binding shareholder vote at least every three years following approval except to the extent that a change to the Policy is proposed or the advisory vote on the Remuneration Report is not passed in any year subsequent to the approval of the Policy.

The Directors’ Remuneration Policy was approved by shareholders at the AGM held on 10 September 2014 and is therefore subject to binding approval by shareholders at the 2017 AGM. If Resolution 3 is passed, the Policy will take effect from the date of the AGM (the “Effective Date”) and will have a binding effect on the Company from that date.

Resolutions 4 to 6 – Election and re-election of Directors

The Articles of Association of the Company require that directors should submit themselves for re-election at least once every three years. Both Nicholas Hofgren and Graeme Johnson have been appointed as directors since last AGM and will stand for election at this year’s AGM. In addition, Nigel Fitzpatrick will offer himself for re-election. Biographical details relating to all directors can be found on page 8 of the Annual Report.

Resolution 7 – Re-appointment and remuneration of auditors

The Company is required to appoint an auditor at each general meeting at which accounts are laid before the Company, to hold office until the next such meeting. The resolution proposes that Grant Thornton UK LLP be re-appointed as auditors for the current year and that the directors be authorised to set the remuneration of the auditors.

Resolution 8 – Authority to make political donations

The Act requires companies to obtain shareholders’ authority before they can make donations to EU political organisations or incur EU political expenditure. The Act defines political donations very broadly and, as a result, covers activities that form part of normal relationships and which are accepted as a way of engaging with stakeholders and opinion-formers to ensure that companies’ issues and concerns are considered and addressed. Activities of this nature are not designed to support any political party or to influence public support for a particular party and would not be thought of as political donations in the ordinary sense of those words.

In the financial year ended 31 March 2017, the Company and its subsidiaries did not incur any expenditure. This resolution is proposed to ensure that the Company and its subsidiaries do not unintentionally commit any technical breach of the Act.

Resolution 9 – Authority to allot shares

Under section 551 of the Act, Directors require shareholders’ authority for the allotment of shares. In addition to the authority granted to the Directors at the general meeting of the Company held on 24 April 2017, Resolution 9 seeks an authority until the next AGM by authorising the Directors to allot shares up to an aggregate nominal amount equal to approximately one third of the current issued share capital of the Company.

Resolution 10 and 11 – Disapplication of pre-emption rights

This Resolution seeks to disapply the pre-emption rights provisions of section 561 of the Act, which requires Directors wishing to allot shares to offer them in the first instance to existing ordinary shareholders in proportion to their ordinary shareholding. There may be occasions, however, when the Directors will need the flexibility to finance business opportunities by the issue of ordinary shares without a pre-emptive offer to existing ordinary shareholders. The Directors will continue to seek to renew this authority at each AGM, in accordance with current best practice.

If the Directors decide to allot new shares or other equity securities, or sell treasury shares, for cash (except for an employee share scheme), company law requires that these shares are offered first to Shareholders in proportion to their existing holdings (known as pre-emption rights). The paragraph (a) of Resolution 10 aims to authorise Directors to allot new shares and other equity securities pursuant to the allotment authority given by paragraph (a) of Resolution 9, or sell treasury shares, for cash: (i) in connection with a pre-emptive offer or rights issue; or (ii) otherwise up to an aggregate nominal amount of £170,492, equivalent to 5% of the total issued ordinary share capital of the Company and of the total issued ordinary share capital of the Company as at 14 August 2017 (the Latest Practicable Date), in each case without the shares first being offered to existing Shareholders in proportion to their existing holdings. The paragraph (b) of Resolution 10 aims to authorise the Directors to allot new shares and other equity securities pursuant to the allotment authority given by paragraph (b) of Resolution 9, or sell treasury shares, for cash in connection with a rights issue without the shares first being offered to existing Shareholders in proportion to their existing holdings.

In line with the template resolutions published by the Pre-Emption Group in May 2016, the purpose of Resolution 11 is to authorise the Directors to allot new shares and other equity securities pursuant to the allotment authority given by Resolution 9, or sell treasury shares, for cash up to a further nominal amount of £170,492 equivalent to 5% of the total issued ordinary share capital of the Company as at 14 August 2017 (the Latest Practicable Date) and of the total issued ordinary share capital of the Company, only in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment, or which has taken place in the preceding six month period and is disclosed in the announcement of the issue. If the authority given in Resolution 11 is used, the Company will publish details of the placing in its next annual report. The Board intends to adhere to the provisions in the Pre-emption Group's Statement of Principles and not to allot shares or other equity securities or sell treasury shares for cash on a non pre-emptive basis pursuant to the authority in Resolution 10 in excess of an amount equal to 7.5% of the total issued ordinary share capital of the Company within a rolling three year period, other than: (i) with prior consultation with shareholders; or (ii) in connection with an acquisition or specified capital investment which is announced contemporaneously with the allotment or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment. The Board considers the authorities in Resolutions 10 and 11 to be appropriate in order to allow the Company flexibility to finance business opportunities or to conduct a pre-emptive offer or rights issue without the need to comply with the strict requirements of the statutory pre-emption provisions. The Board has no immediate plans to make use of this authority. The Board will continue to seek to renew these authorities at each annual general meeting, in accordance with current best practice. If the resolution is passed the authority will expire at the conclusion of the Company's next annual general meeting.

Resolution 12 – Notice of general meetings

Under the Act all general meetings must be held on 21 days' notice unless shareholders approve a shorter period, which cannot be less than 14 clear days (AGMs will continue to be held on at least 21 clear days' notice). The Directors believe it is in the best interests of the shareholders of the Company to enable general meetings to be called on 14 clear days' notice. It is intended that this flexibility will only be used for non-routine business and, where merited, in the interests of shareholders as a whole. The approval will be effective until the Company's next AGM, when it is expected that a similar resolution will be proposed.

Resolution 13 – Authority to purchase own shares

Under Section 701 of the Act, the directors of a company may make market purchases of that company's shares if authorised to do so. The Company's Articles of Association give a general authority to the Directors to purchase shares on the market but that authority is subject to the approval of Shareholders. The Directors believe that granting such approval would be in the best interests of Shareholders in allowing the flexibility to react promptly to circumstances requiring market purchases and Resolution 13 seeks the authority from shareholders.

GENERAL NOTES TO THE NOTICE OF ANNUAL GENERAL MEETING

Form of Proxy

- a) Holders of ordinary shares, or their duly appointed representatives, are entitled to attend and vote at the AGM. Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend and speak and vote on their behalf at the meeting. A proxy need not be a shareholder of the Company. More than one proxy can be appointed in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different ordinary share or shares held by that shareholder. To appoint more than one proxy, the Form of Proxy enclosed should be photocopied and completed for each proxy holder. The proxy holder's name should be written on the Form of Proxy together with the number of shares in relation to which the proxy is authorised to act. The box on the Form of Proxy must also be ticked to indicate that the proxy instruction is one of multiple instructions being given.
- b) To be effective a duly completed Form of Proxy, together with any power of attorney or other authority under which it is signed (or a notarially certified copy of such authority), must be deposited with the Company's registrar, Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom so as to arrive by 2.00 pm UK time on Monday 11 September 2017 (or not less than 48 hours before the time fixed for any adjournment of the meeting).
- c) The return of a completed Form of Proxy, other such instrument or any CREST Proxy Instruction (as described in Note a) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so (although voting in person at the AGM will terminate the proxy appointment).
- d) Any person to whom this Notice of AGM is sent who is a person nominated under Section 146 of the Act to enjoy information rights (a Nominated Person) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
- e) In the case of a member which is a company, your Form of Proxy must be executed under its common seal or signed on its behalf by a duly authorised officer of the company or an attorney for the company.
- f) In the case of joint holders of shares, the vote of the first named in the register of members who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of other joint holders.

Electronic proxy appointment

- g) Shareholders may, should they so wish, register the appointment of a proxy or proxies electronically by logging on to the Computershare's website at www.investorcentre.co.uk/eproxy where full details of the procedure are given. Shareholders are advised to read the terms and conditions relating to the use of this facility before appointing a proxy; these may be viewed on the website. Electronic proxy appointments must be received by Computershare no later than 2.00 pm (UK time) on Monday 11 September 2017 (or not less than 48 hours before the time fixed for any adjourned meeting). A Form of Proxy lodged electronically will be invalid unless it is lodged at the address specified on Computershare's website.
- h) In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message must be transmitted so as to be received by Computershare (ID 3RA50) not later than 48 hours before the time fixed for the AGM. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which Computershare is able to retrieve the message by enquiry to CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages and normal system timings and limitations will apply in relation to the input of a CREST Proxy Instruction. It is the responsibility of the CREST member concerned to take such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
- i) In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001, only those members entered on the Company's register of members at 2.00 pm on 11 September 2017 or, if the meeting is adjourned, shareholders entered on the Company's register of members at close of business on the day two days before the date of any adjournment shall be entitled to attend and vote at the AGM.
- j) Any member attending the meeting has the right to ask questions. The Company has to answer any questions raised by members at the meeting which relate to the business being dealt with at the meeting unless:
 - to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information
 - the answer has already been given on a website in the form of an answer to a question, or;

- it is undesirable in the interests of the Company or the good order of the meeting to answer the question.

Documents available for inspection

- k) Copies of the Directors' service contracts and letters of appointment along with a copy of the Company's articles of association are available for inspection at the registered office of the Company during normal business hours on any business day and will be available for inspection at the place where the meeting is being held from 15 minutes prior to and during the meeting.

Publication of audit concerns

- l) It is possible that, pursuant to requests made by members of the Company under section 527 of the Act, the Company may be required to publish on a website a statement setting out any matter relating to: (a) the audit of the Company's accounts (including the auditor's report and the conduct of the audit) that are to be laid before the AGM; or (b) any circumstance connected with an auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the Act. The Company may not require the members requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the Act. Where the Company is required to place a statement on a website under section 527 of the Act, it must forward the statement to the Company's auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the Act to publish on a website.

Attendance and voting

- m) Entitlement to attend and vote at the meeting, and the number of votes which may be cast at the meeting, will be determined by reference to the Company's register of members at close of business UK time on Monday 11 September 2017 or, if the meeting is adjourned, 48 hours before the time fixed for the adjourned meeting (as the case may be). In each case, changes to the register of members after such time will be disregarded.
- n) Voting at the AGM will be conducted by way of poll and the results will be released to the London Stock Exchange and published on the Company's website www.vordere.com. Poll cards will be issued upon registration to those attending the Meeting.
- o) We ask all attendees to facilitate the orderly conduct of the meeting and reserve the right, if orderly conduct is threatened by a person's behaviour, to require that person to leave.
- p) Shareholders should note that doors to the Annual General Meeting will open at 1.30 pm.
- q) For security reasons, all hand luggage may be subject to examination prior to entry to the Annual General Meeting. Mobile phones may not be used in the Annual General Meeting and cameras, video recorders, laptop computers and similar equipment may not be taken into the Annual General Meeting. Anyone attempting to take photos, record or film the proceedings may be asked to leave.

Total voting rights

- r) As at 14 August 2017 being the Latest Practicable Date, Company's issued ordinary share capital is 170,491,541 ordinary shares of £0.02. Each ordinary share carries the right to one vote at a general meeting of the Company and, therefore, the total number of voting rights in the Company as at 14 August 2017 is 170,491,541.

Communication

- s) Except as provided above, members who have general queries about the meeting should contact Company's registrars, Computershare Investor Services PLC at The Pavilions, Bridgwater Road, Bristol BS99 6ZY, United Kingdom.
- t) A copy of this notice, and other information required by section 311A of the Act, can be found at www.vordere.com.

Boiler room fraud

Shareholders are strongly advised to be wary of any unsolicited advice, offering to buy shares at a discount from the Company. These are typically from overseas based "brokers" who target US or UK shareholders, offering worthless or high risk stock. These operations are commonly known as 'boiler room fraud' and the 'brokers' call. If shareholders receive any unsolicited investment advice:

- Make sure you get the correct name of the person and organisation and make a record of any other information they give you. e.g. telephone number, address, websites;
- Check if the person or organisation is properly authorised by the Financial Conduct Authority (FCA) at www.fca.org.uk/register and the matter may be reported to the FCA by using the share fraud reporting form at www.fca.org.uk/scams or by calling 0800 111 6768 (Freephone) or 0300 500 8082 for (from the UK) or +44 20 7066 1000 (from abroad);
- If calls persist, hang up.
